Meet Cheryl, your Branch Manager for Horley

About me

Hi, I'm Cheryl, Branch Manager at the Horley Branch in Surrey. I am responsible for the running of the branch, growing the business, and always ensuring that we deliver quality care to all our customers at all times. I have lived and worked in Surrey for the past 20 years.

Experience

Before joining HH, I worked for a domiciliary care company in the local area. I have an Advanced Level 3 Diploma in Health and Social Care, and will be undertaking Level 5 very shortly.

Why I chose Helping Hands

I decided to join Helping Hands because they are passionate about providing all customers with quality care. They are a very professional company to work for, with a good name throughout the care sector. I feel that I have joined a very professional company who are passionate about what they do, who pride themselves on delivering great care. Our carers are very professional, compassionate people who have been trained to a very high standard and provide fantastic care to all customers.
