Branch Manager - Ferndown

Meet Ruth, your Branch Manager for Ferndown

About me

“Hello, I’m Ruth, the Branch Manager in the Ferndown branch of Helping Hands. It is my responsibility to ensure the smooth running of the branch and to make sure that our customers are receiving the best possible care. My responsibilities also lie with the branch’s wonderful staff, ensuring they are always fully trained and supported in their roles. I’m very family orientated and in my spare time I love to be with my children and grandchildren. My hobbies include sewing and other crafts.”

My experience and expertise

Ruth has been working in domiciliary care since 2009. Ruth is from Cornwall, so is familiar with providing care to people across the county. Being able to provide essential support to people in their own homes in such a rural area is something that she describes as “incredible”. Since starting to work in the home care sector, she progressed to Registered Manager in 2013, until she made the move to Helping Hands.

Before working in home care, Ruth specialised in palliative care and worked for Cornwall Hospice Care for 12 years. She has experienced many different sides of care, but ensuring people can live their lives how they want to with as much dignity as possible is vital to her. She loves her role, and continues to implement the best quality care possible, regardless of someone’s personal circumstances.

Why I chose Helping Hands

“Following a move from Cornwall to Ferndown, I found the Helping Hands vacancy and leapt at the opportunity. Helping Hands is renowned for providing an excellent service and I wanted to be a part of that.”
